

Nest Protect

Smoke and carbon monoxide alarm.
Thinks, speaks and alerts your phone.

Meet Nest Protect.

There's never been a smoke and CO alarm quite like this. Nest Protect looks for fast-burning fires, smouldering fires and carbon monoxide. It also speaks up when there's a problem, can be silenced from your mobile and will even send a message to your mobile in case you're not home.

How does it work?

Get alerts on your mobile.

Nest Protect sends you a message when there's a problem or the batteries are running low.

Tells you what, and where.

Nest Protect speaks up if there's smoke or CO and tells you where it is so that you know what to do.

Sees the CO that you can't.

Carbon monoxide is an invisible, poisonous gas. Nest Protect tells you where it's hiding.

A light in the dark.

Nest Protect usually has its light turned off, but when you walk underneath it, Pathlight can light your way.

Every second counts.

The Split-Spectrum Sensor looks for both fast- and slow-burning fires.

Silence from the Nest app.

Just burned the toast? Silence the false alarm with your mobile, not your tea towel.

Up to 10 years life span.

Nest Protect's long-lasting sensors keep you safe and sound for up to a decade.

Sleep safely and soundly.

Nightly Promise is a quick green glow that can be seen when you turn off the lights, letting you know everything's working as it should.

FEATURES

- Nest app—Mobile alerts include:
 - Low battery
 - Smoke & carbon monoxide
 - Sensor failure
- Split-Spectrum Sensor
- Voice alarms with custom location
- App Silence
- Detects carbon monoxide
- Up to 10 years product lifetime
- Heads-Up alerts
- Sound Check
- Self-Test
- Nightly Promise
- Pathlight
- Steam Check
- Wireless Interconnect
- Safety History
- What to do
- Home Report
- Emergency clip record with Nest Cam

SPECS

- Sensors**
 - Split-Spectrum Sensor
 - 10-year electrochemical carbon monoxide sensor
 - Heat sensor, ± 1 °C (± 1.8 °F)
 - Humidity sensor, $\pm 3\%$ RH
 - Occupancy sensor, 120-degree field of view to 20 feet (6 m)
 - Ambient light sensor
 - Omni-directional microphone, 70 dBA SNR
- Size and weight**
 - Height: 13.5 cm
 - Width: 13.5 cm
 - Depth: 3.9 cm
 - Weight: **Nest Protect Battery** 379 g
 - Nest Protect Wired** 374 g
- Speaker loudness**
 - 80 dB at 1 metre
- Siren**
 - 85 dB at 3 metres
- Light ring**
 - RGB colour ring with 6 LEDs
- Languages**
 - Out of the box
 - UK: English (British)
 - Downloadable
 - French (FR) and (CA), Dutch, Spanish, English (America)
- Wireless**
 - Working Wi-Fi connection: 802.11b/g/n at 2,4Ghz
 - Wireless Interconnect: 802.15.4 at 2,4 GHz
 - Bluetooth Low Energy (BLE)
- Batteries**
 - **Nest Protect Battery** Six long-life AA Energizer® Ultimate Lithium batteries
 - **Nest Protect Wired** Three long-life AA Energizer® Ultimate Lithium backup batteries
- Connectivity requirements**
 - Wi-Fi connection
 - Nest app on mobile or tablet with iOS or Android
 - Free Nest account
- Operating temperature and humidity**
 - The alarm should not be installed in locations where the normal ambient temperature is below 4 °C or exceeds 38 °C.
 - Humidity range: 20% RH to 80% RH (non-condensing).
- Warranty**
 - 2-year limited warranty. For support, visit nest.com/eu/support
- Certification**
 - Nest Protect complies with the following smoke and carbon monoxide alarm standards in Europe: EN-14604, EN-50291, EN-50271:2010, EN-50292.

IN THE BOX

- Nest Protect
- Batteries
- Back plate
- Four screws
- User guide
- Welcome guide
- Nest Protect Wired also includes:**
 - AC 230 V connector
 - Three terminal blocks
